

Dear Business Owner,

I'd like to introduce you to our non-profit organization, Sisters@Heart. We are interested in telling you more about us in the hopes of further collaboration and support. We are a dynamic and impactful local non-profit dedicated to improving the lives of those affected by heart disease and stroke.

Founded in 2016 on the premise that there was a local community need for our services, we have continued to grow and prosper thanks to help from donors like you. All three founders, Jamie O'Hanlon, Lisa Deck, and Caitlan Kane, have a direct connection to the cause.

- Jamie's 12- year-old daughter Scarlett was born with a life-threatening heart defect and underwent repair the day she was born. Scarlett will continue to undergo surgeries and interventions for the rest of her life.
- Lisa has suffered four strokes, many years of treatment, and endured two brain surgeries to revascularize her brain from Moyamoya, a rare disease.
- Caitlan suffered post-birth heart failure immediately after the birth of her third child and was saved due to the keen eye of her primary care doctor.

Ensuring others don't have to suffer and making our community more robust is our priority. We are reaching out to you because we believe that your company and Sisters@Heart share a common vision and can collaboratively make a significant difference in our local community.

At Sisters@Heart, we are committed to directly assisting families affected by heart disease and stroke by providing monetary grants or specific medical assistance. We continue to fund research projects at various hospitals and medical facilities. We provide student scholarships and support our local and regional community with defibrillators. We have been making strides in the community and our efforts would be significantly enhanced with the support of community-oriented partners like you.

Thank you for considering our proposal. We are excited about working together to create positive change and are eager to explore the next steps. **If you have any questions or require additional information, please do not hesitate to contact me at 508.446.0305 and sistersatheart333@gmail.com.**

Sincerely,

Jamie O'Hanlon, Caitlan Kane & Lisa Deck

Sisters@Heart is a local non-profit, managed entirely by volunteers whose mission is to improve the lives of those affected by heart and stroke.

We are laser-focused on our mission and provide:

- ❖ **Direct assistance** to families affected by heart disease and stroke by providing monetary grants or specific medical assistance.
- ❖ **Funding Research** at various hospitals and medical facilities.
- ❖ **Annual Student Scholarships**
- ❖ **Community AED Placement**

Thank you for recognizing the critical impact we have on our community and for your generous, continued support. We invite you to be a corporate sponsor for our 2024 Hoedown for Hearts!
